

Letter: Mary Tomback is dedicated to St. Louis Park schools

2 hrs ago

To the Editor:

We are voting for Mary Tomback for St. Louis Park School Board. She is a kind and caring person, she does her homework and she is a wonderful advocate for St. Louis Park Schools.

A practicing lawyer, Mary put this part of her life on hold while raising her three children who attend St. Louis Park schools. She uses her skills as an active volunteer, volunteering in the classroom, serving on the parent-teacher organization and organizing a St. Louis Park Emergency Program volunteer event for some Susan Lindgren families. As a community volunteer, some of her work has included chairing the Human Rights Commission, volunteering regularly at STEP and spending a few months researching at Legal Aid. She is well-organized and uses her time well!

Mary listens, is prepared and is thorough – she became familiar with issues by meeting with people from all walks of life to learn how our school district serves them. She has reached out to school leaders in the elementary, middle and senior high schools to become familiar with our schools K-12, and she has met with other leaders throughout our community to learn as much as she can about the issues facing our district.

Mary is dedicated to St. Louis Park schools and has the energy and ability to keep our schools top-notch. Please join us in voting for Mary Tomback for St. Louis Park School Board.

Shari and Dick Parsons

St. Louis Park
